In light of this, it is the intention of Notting Hill College to cooperate with educational institutions by combining our expertise and resources to deliver professional quality vocational programmes with the aim of preparing trainees for a challenging career and enhancing their skills.

Strategic Partnership

Notting Hill College seeks to establish strategic partnerships with governmental sectors, for-profit and non-profit institutions, colleges and universities. Through strategic partnership, we aim to serve the diverse needs of Middle Eastern communities.

Education Verification Service (EVS)

Notting Hill College Graduates enjoy Lifetime Education Verification

Many employers require job applicants to verify their educational documents with a letter from the registrar's office of the college or university from which they were issued. Responding to this need, NHC has developed its new-to-the-industry Education Verification Service (EVS). Our students can print a Verification Letter via our site. Notting Hill College strongly believes in assisting its alumni as much as possible, therefore also offers its students an exclusive Education Verification Service (EVS). EVS helps you in presenting your credentials to employers or educational institutions with complete confidence; this will open avenues for better jobs and better future prospects for you.

Training is Great in Britain

Responding to the increasing needs for attending training in the UK, Notting Hill College organises training programmes at our premises in Manchester. Training is conducted intensively over two weeks to address the needs of busy professionals.

Ofqual Regulated Qualifications

The Office of Qualifications and Examinations Regulation (Ofqual) is a non-ministerial government department that regulates qualifications, exams and tests in England. Ofqual's main job is to review, recognise and monitor regulated qualifications via regulatory bodies in order to make sure that they meet specific criteria and quality standards.

Notting Hill College offers ofqual regulated qualifications from level 3 to level 7 in the fields of business and teacher education. The levels convey where the qualification sits on the Regulated Qualification Framework (RQF).

Learning Format

Programmes at Notting Hill College are delivered in three formats;

Online: This format has the tools needed to interact with our students including a live virtual classroom, online assessment tools and content sharing features.

Distance Learning: Enables our students to download their course materials and assessments via our learning portal and follow a detailed study plan.

Blended Learning: Allows our students to attend sessions at our training venues and access our student portal to upload assignments and view their grades.

Why study in the UK?

The aim of Notting Hill College- Manchester is to introduce first-rate training to its candidates.
