CAMP philosophy

This Camp strives to provide an unforgettable learning experience for children of all ages and backgrounds, giving children the opportunity and support to reach and exceed their potential.

The Notting Hill College Summer Camp is based on the immersion theory of language learning. The programme is uniquely designed to give children the opportunity to develop their English whilst meeting people from different countries and learning valuable life skills. This philosophy and approach to provide high quality enjoyable English training is the prime focus of our 10-day programme.

AGES FROM 8 TO 17

PROGRAMME activities

English classes part 1: Students are involved in hands-on multisensory activities to practice receptive skills, vocabulary and grammar.

English classes part 2: Students are involved in engaging communicative and interactive activities to improve their speaking and writing skills.

Nearby tourist attraction visit: Visits to the landmarks of Manchester including famous museums, art galleries.

Leisure time: A list of fun activities that include visits to Laser Quest, Inflata-nation, Jump Ninja, mountain climbing.

Physical Activities time: Students participate in physical activities and/or sporting events.

CAMP highlights

- ✓ Become independent

OUR PHILOSOPHY... LEARN BY PLAYING

CAMP accommodation

Notting Hill College aims to make our students' visits to Manchester a memorable and relaxing experience. For this we have decided to book a two-star hotel as our accommodation this year. The location is within a walking distance from the college.

MANCHESTER is the Coolest Place to Learn English

Manchester is not just about football! The city has an industrial heritage that combines the old and new embracing the 21st century whilst staying true to the traditional British way of life. There are fantastic art galleries, museums, music venues, theatres, great shopping centres.

IMPROVE your English...
EXPLORE exciting places...
MAKE new friends
